Dear Parents

Last week was a very busy week for the sports teams at Charterhouse. All the pupils put in their best and achieved some good results.

Thank you to all the boys and girls who represented Charterhouse at the Weltevreden Park Primary Soccer and Netball tournament on Saturday. The competition was extremely tough and we managed some pleasing results on the day. Congratulations to the Under 9 and 11 Soccer teams who won their sections and were crowned overall winners of the tournament. Charterhouse School finished in 3<sup>rd</sup> place overall out of 6 schools and every soccer and netball team played their part in helping us finish in that position.

It is very encouraging to see participation levels growing at all practices and the majority of the pupils dressed in correct kits for the practices and matches. Please ensure that your child is dressed smartly and appropriately for the remainder of the season. Our boys and girls look very smart representing their school.
